2021 Early-Buy Catalog

SALE ENDS APRIL 30, 2021

- **A note about pricing:** As with many industries, the pool industry is experiencing price inflation due to a combination of factors, including limited supply. Pool chemicals, in particular, have been hit hard by price increases. We recommend **stocking up now** as our deep discount sale prices will not be available after the sale ends on April 30.
- A minimum order of \$175.00, not including tax, is required for free delivery in our service area. For orders less than \$175.00, delivery in our service area is available for \$40 or the order may be picked up at our store.
- **FREE DELIVERY** (no minimum) at the time of your pool opening, if Aqua Pool is opening your pool.

Jandy Salt Water Sanitizer

Experience a high quality of water your family will purely enjoy

The AquaPure system utilizes water softening technology to provide wonderfully smooth and gentle-on-the-skin water. Say good-bye to irritated eyes, itchy skin, green hair, faded swimsuits.

Just Add Salt! Dissolve low levels of ordinary salt in your pool and watch the AquaPure system work. Chlorine is generated automatically and naturally. Once the chlorine's purification work is done it automatically converts back to salt.

CHILDREN AREN'T WATERPROOF! SAFETY TIPS

- There is NO substitute for adequate supervision.
- NEVER leave a child alone out of eye contact in or near a pool or spa - NOT EVEN FOR A SECOND!
- Access to the pool or spa should be limited by locked doors and gates whenever swimming or soaking cannot be supervised.
- Keep toys, especially wheeled toys, away from pool or spa. A child playing with these could fall in accidentally.
- Do not allow anyone of any age to swim without a 'spotter' nearby.

Examples of good safety behavior by adults are important for your children!

Do not use pool if suction outlet covers are broken or missing.

SDX 2-Drain Cover

High Performance Safety Drain for pool safety.

- Comes with adaptable backplate to retrofit suction fitting up to 10" in diameter
- Available in many colors
- A scuba diver may be required at additional charge
- VGB compliant

Please contact the office for additional information and pricing.

FLOATING ARM: PA 25

Pool Patrol floats on any size, shape or type pool surface and will activate an alarm when children or pets fall into the pool. The sensing ring is adjustable so that it can be controlled to activate only when an object the size of a child or pet falls into your pool. The alarm comes with easy-to-use tie-down strings and hooks. This enables the Pool Patrol to be secured to the side of your pool.
